Global Kitchen Equipments Company

<https://www.kitchenequipment.in/>

We are one of the renowned name engaged in manufacturing and Exporting Of Chapati Making Machine and Sweet Making Machine etc.

About Us

We, **Global Kitchen Equipment Company**, are one of the reputed organizations involved in manufacturing and Exporting Of Chapati Making Machine and Sweet Making Machine etc. These products are precisely manufactured and known for essential features like fine finish, easy operation, low maintenance, corrosion resistance and durability. Our range of products caters to the needs of various sectors such as canteen, kitchen, hotel kitchen and commercial kitchen. Backed by voluminous experience, we are capable of developing our range of products as per the industry standards. While fabricating the products, we also ensure to use high-grade stainless steel which is sourced from reliable vendors. The entire process of fabricating quality products is carried forward at our manufacturing unit which is equipped with all the necessary machines like Polish, Hydraulic, Pressing and Lathe Machine. These machines and advanced sophisticated Facilities further help us to provide customization facilities as per the requirements stated by our clients. In order to facilitate smooth molding, shaping, decorating and trimming of the product, we have 4 production lines, where 10 tons of quality Kitchen Equipment is manufactured per month. Owing to the quality of our range, we have been able to build a huge client base across India. Under the dynamic leadership of our mentor, **Mr. Rajavel**, we have carved a niche for...
